Faculty, topics, program schedule, and credit are subject to change. Audio or videotaping is prohibited without written permission from the Activity Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.
Needs
This conference focuses on current controversies and innovative diagnostic and treatment strategies for some of the most common urologic problems faced by clinical urologists in the region. The rapidly changing health care environment and pace of technological innovations in medicine require urologists to keep abreast of state-of-the-art diagnosis and management of urologic disease.

Target Audience
This activity is designed for specialists in urology.

Course Objectives
At the conclusion of the course, participants should be able to:

• Compare and contrast ureteroscopy and shock wave lithotripsy for surgical management of stones
• List the recommended treatment approaches for the pediatric and pregnant patient according to the AUA 2016 Surgical Management of Stones guideline
• Implement the new algorithms to improve timing of diagnosis
• State the role of cystoscopy in non-muscle invasive bladder cancer
• List and describe treatment options for ED post prostatectomy
• Explain the role of MRI to diagnosis prostate cancer

Educational Methods
Lecture ▪ Case Presentations ▪ Question and Answer Sessions ▪ Panel Discussion

Evaluation
Evaluation by questionnaire will address program content, presentation, and possible bias.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 12.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Fee, Registration and Confirmation Information
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least five business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register onsite, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at BaylorCME.org/CME/1539 and follow the instructions.

Cancellation/Refund Policy
Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be emailed to cme@bcm.edu.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

Disclosure
In order to meet the requirements of the Accreditation Council for Continuing Medical Education it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

Noon Conference Adjournment
Nestled in the foothills of the Sangre de Cristo Mountains and ideally located in the heart of Santa Fe, the Inn and Spa at Loretto is just one block from the historic Santa Fe Plaza galleries, museums, boutiques, restaurants and the Palace of the Governors, and is within easy walking distance of the renowned “Artist Row” galleries on Canyon Road. Reservations may be made online or via phone. Please identify yourself with the Baylor College of Medicine Innovations in Urologic Practice Conference to obtain the group rate of $259 single/double. A limited number of rooms have been reserved at this special rate on a space-available basis. A Service Fee of $15 per night will be added to the guestroom rate. This fee includes housekeeping gratuities, high-speed wireless internet access, access to fitness room and outdoor year-round heated pool, and local and toll free phone calls. The deadline to receive this special rate is Friday, August 25, 2017, unless the block has already been filled. RESERVE YOUR ROOM EARLY.

Parking
Hotel valet parking is $21/day for overnight guests and $11/day for day-only parking.

Transportation
The Inn and Spa at Loretto is located just 20 minutes from the Santa Fe Municipal Airport. American Airlines offers non-stop service to Santa Fe from Dallas/Fort Worth or Los Angeles LAX airports. United Airlines offers non-stop jet service from Denver. Santa Fe is approximately one hour north of the Albuquerque International Sunport, which offers all major airlines and rental car companies. Shuttle service is available at $30 per person one-way while private transportation averages $165 per vehicle, one-way.

Conference Attire
Attire is business casual. Since meeting room temperatures and personal comfort levels vary, it is recommended that you bring a sweater or jacket to the educational activities.

SANTA FE WINE & CHILE FIESTA
The Santa Fe Wine & Chile Fiesta is an annual five-day weekend of events featuring the culinary artistry found in Santa Fe, New Mexico’s many excellent restaurants coupled with the sophistication and wines of national wineries. By bringing 90 national wineries to Santa Fe to partner with 75 of Santa Fe’s best restaurants, a five day schedule of food and wine events is created featuring cooking demos, wine seminars, winery luncheons and dinners. The weekend culminates with the Grand Tasting at the Santa Fe Opera where all 75 participating Santa Fe restaurants and all 90 wineries serve samples of their best food and wine.

One event, the SFWC Fiesta Live Auction, raises money to sponsor Santa Fe restaurant community events. Proceeds from the live auction help sponsor culinary classes such as restaurant service classes, wine and cooking classes. The live auction also helps sponsor other community events involving restaurants and chefs, such as Santa Fe’s Cooking with Kids program and Santa Fe Restaurant Week.

Detailed information can be found at santafewineandchile.org, including a schedule of events. To find out more about Albuquerque, visit the TOURISM Santa Fe website at itsatripsantafe.org or by calling at 800.777.2489.
