January 18-19, 2013
Houston, Texas

with optional Nuchal Translucency Risk Assessment Course – January 20, 2013

Presented by Baylor College of Medicine
Department of Obstetrics and Gynecology
and Texas Children’s Pavilion for Women

women.texaschildrens.org/conference

Sponsored by

Texas Children’s Hospital
Pavilion for Women

Baylor College of Medicine
NEEDS STATEMENT
The goal of this activity is to review current and new approaches in diagnostic imaging for women’s health care and to outline the most effective ways to integrate this information into clinical practice. Updating health professionals in the diagnosis and therapy of disorders relevant to obstetrics and gynecology is essential to providing quality care leading for improved patient outcomes.

TARGET AUDIENCE
Obstetricians, gynecologists, radiologists and sonographers

OBJECTIVES
At the conclusion of the conference, participants should be able to:
• Recognize and evaluate congenital anomalies of the fetal brain, chest and heart using prenatal ultrasound or MRI
• Describe how advanced diagnostic imaging technologies (3D/4D ultrasonography and MRI) can be used to evaluate fetuses with congenital anomalies and patients with gynecological disorders
• Explain how diagnostic ultrasonography can be used to evaluate pelvic pain and abnormal bleeding and to detect adnexal masses including ectopic pregnancy
• Explain how diagnostic imaging can be used to evaluate twins for pregnancy complications such as intrauterine growth restriction, premature delivery and twin-twin transfusion syndrome
• Identify the main factors associated with medicolegal complications in diagnostic imaging practice and list strategies for minimizing liability in women’s health care.

EDUCATIONAL METHODS
Lecture  |  Case Presentation  |  Question and Answer Sessions  |  Interactive Audience Response System  |  Live Scan Demonstrations

EVALUATION
Evaluation by questionnaire will address program content, presentation and possible bias.

ACCREDITATION / CREDIT DESIGNATION
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 14.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE
In order to meet the requirements of the Accreditation Council for Continuing Medical Education, it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME activity (activity director, planning committee members and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule and credit are subject to change. Audio or videotaping is prohibited without written permission from the Activity Director and the Office of Continuing Medical Education (OCME) at Baylor College of Medicine in Houston, Texas.
Fee, Registration and Confirmation Information

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. If you have not received confirmation at least five business days before the activity start date, contact the OCME immediately.

If you plan to register on-site, contact the OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online, visit the activity website at BaylorCME.org/CME/1459 and follow the instructions.

Cancellation/Refund Policy

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be emailed to the OCME at cme@bcm.edu or faxed to 713-798-7955.

The OCME reserves the right to cancel activities, not fewer than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

Note: If payment is made by check, a social security number is required to process the refund.

Faculty, topics, program schedule and credit are subject to change. Audio or videotaping is prohibited without written permission from the Activity Director and the OCME at Baylor College of Medicine in Houston, Texas.

Conference Location

Mitchell Basic Sciences Research Building, Onstead Auditorium
6767 Bertner
Houston, Texas 77030

Attire

Attire for the conference is business casual. Since meeting room temperatures and personal comfort levels vary, it is recommended that you bring a sweater or jacket to the educational activities.

Accommodations

A limited number of rooms have been reserved at the Houston Marriott at the Texas Medical Center. Accommodations may be made with Marriott Reservations at 800-228-9290. Please identify yourself with the Baylor College of Medicine Women’s Health Imaging Conference to benefit from the special group rate ($114 Single/Double). The deadline to receive the special rate is Thursday, December 20, 2012, unless the room block has already been filled. RESERVE YOUR ROOM EARLY.

For details on additional accommodations, travel information and local directions visit women.texaschildrens.org/conference

For Further Information, Contact:

Fax: 713-798-7955
Email: cme@bcm.edu

Visit BaylorCME.org for information about other Baylor College of Medicine CME activities.
**ACTIVITY DIRECTOR**
Wesley Lee, M.D.
Professor, Department of Obstetrics and Gynecology
Baylor College of Medicine, Houston, TX
Section Chief, Women’s and Fetal Imaging
Director of Fetal Imaging Research
Co-Director, Fetal Center, Texas Children’s Pavilion for Women

**CO-DIRECTORS**
Joan Mastrobattista, M.D.
Professor of Obstetrics and Gynecology
Baylor College of Medicine, Houston, TX
Ultrasound Clinic Chief, Texas Children’s Pavilion for Women

Mani Montazemi, RDMS
Instructor, Department of Obstetrics and Gynecology
Baylor College of Medicine, Houston, TX
Manager, Maternal Fetal Center Imaging
Texas Children’s Pavilion for Women

**GUEST FACULTY**
Beryl Benacerraf, M.D.
Clinical Professor of OB/GYN and Radiology
Harvard Medical School, Boston, MA

Jim Shwayder, M.D., J.D.
Professor and Chair,
Department of Obstetrics and Gynecology
University of Mississippi, Jackson, MS

George Bega, M.D.
Adjunct Assistant Professor of OB/GYN
Thomas Jefferson University Hospital
Philadelphia, PA

**LOCAL FACULTY**
Michael A. Belfort, M.D., Ph.D.
Ernst W. Bertner Chairman and Professor
Department of Obstetrics and Gynecology
Baylor College of Medicine, Houston, TX
Obstetrician and Gynecologist-in-Chief
Texas Children’s Pavilion for Women

Christopher Cassady, M.D.
Clinical Associate Professor of Radiology,
Baylor College of Medicine, Houston, TX
Chief of Fetal Imaging, Department of Pediatric Radiology
Texas Children’s Hospital

Jimmy Espinoza, M.D.
Associate Professor, Department of Obstetrics and Gynecology
Baylor College of Medicine, Houston, TX

Manisha Gandhi, M.D.
Assistant Professor, Department of Obstetrics and Gynecology
Chief, Maternal Fetal Medicine Clinic
Director, Program for Multiples
Associate Residency Program Director
Baylor College of Medicine, Houston, TX

Ignatia B. Van den Veyver, M.D.
Professor and Vice Chair for Research
Department of Obstetrics and Gynecology
Professor and Director of Prenatal Genetics
Department of Molecular and Human Genetics
Baylor College of Medicine, Houston, TX

Nuchal Translucency (NT) measurement in association with first trimester biochemistry has been shown to be an excellent screening modality for chromosomal abnormalities in the fetus. The Society for Maternal-Fetal Medicine (SMFM) recognizes the need for quality assurance in the area of first trimester risk assessment and presents this educational course with the Institute for Advanced Medical Education on the theories and techniques involved in obtaining accurate NT measurements. This program is designed for physician sonologists and sonographers and meets the education course requirement component of credentialing by the SMFM.

Baylor College of Medicine designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

TARGET AUDIENCE
Obstetricians, gynecologists, radiologists and sonographers

OBJECTIVES
At the conclusion of the conference, participants should be able to:
- Discuss and compare protocols for the first and second trimester combined risk assessment.
- Describe the critical requirements for obtaining and maintaining reproducible and accurate nuchal translucency measurements.

REGISTRATION FEES

ADVANCES IN WOMEN’S HEALTHCARE IMAGING - 2013
January 18th-19th 2013 | Onstead Auditorium

□ Physician $650 ($500 before Nov. 1)
□ Other Healthcare Professional $550 ($400 before Nov. 1)
□ Non-BCM Resident* $450 ($300 before Nov. 1)
□ Non-BCM Fellow* $450 ($300 before Nov. 1)
*Fax verification of status within 24 hours of registration.

OPTIONAL NUCHAL TRANSLOCUCENCY RISK ASSESSMENT COURSE
January 20th, 2013 | Texas Children’s Pavilion for Women

□ Physician $350
□ Other Healthcare Professional $300
To register/pay online, visit baylorcme.org/cme/1459W

WELCOME RECEPTION
I will be attending the reception with/without a guest (or guests).
The total number in my party is ________.

METHOD OF PAYMENT (YOUR REGISTRATION MUST BE PREPAID)

□ Check of money order (in U.S. funds) made payable to: Baylor College of Medicine

□ Visa® □ MasterCard® □ Discover® □ Amex® $ __________________________ total amount enclosed
Card number __________________________________________________________ Expiration date __________________________
Name on the card ___________________________________________________________________________
Authorized signature __________________________________________________________________________

With credit card payment, you may fax completed registration form to 713-798-7955.

Return completed form and payment to:
Baylor College of Medicine
Office of CME (1459)
P.O. Box 4708
Houston, TX 77210-4708

Special requests
Contact BCM OCME if you have any dietary needs (specify below)
