GI Fellows Endoscopy Hands-On Workshop
See page 7 for details.

Provided by
Needs
Updating practicing physicians and other health professionals in both the diagnosis and management of gastrointestinal and liver diseases/conditions is essential to providing quality care leading to improved patient outcomes. The goal of this activity is to review current as well as emerging medical therapies and to outline the most effective ways to integrate this information into clinical practice.

Target Audience
Gastroenterologists, hepatologists, internists, family physicians, physician assistants, medical trainees and students.

Objectives
At the conclusion of the activity, participants should be able to:
• Identify the role of therapeutic endoscopy in the management of pancreatic cystic lesions.
• Identify and discuss current therapy options for patients with viral hepatitis and drugs in the clinical development pipeline.
• Diagnose and manage patients with gastrointestinal bleeding.
• Identify tailored approaches to optimizing medical therapy in inflammatory bowel disease (IBD).

Educational Methods
Lecture ■ Meet-the-Professor Luncheon ■ Question and Answer Session ■ Video Showcase

Evaluation
Evaluation by questionnaire will address program content, presentation, and possible bias.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The presentation, Identifying and Addressing Burnout in Health Care Providers, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.

This educational activity has been submitted to the Society of Gastroenterology Nurses and Associates, Inc. for approval. The Society of Gastroenterology Nurses and Associates, Inc. is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Disclosure Policy
In order to meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of Baylor College of Medicine (BCM) that all individuals who are in a position to control the content of the CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, current and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

Fee, Registration and Confirmation Information

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least five business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at BaylorCME.org/CME/1497 and follow the instructions.

Cancellation/Refund Policy

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

Endoscopy is a continuously evolving field with the emergence of new technologies and techniques. It is important that the endoscopist become familiar with standard and new technologies and techniques and be able to utilize them in practice. The hands-on workshop allows GI Fellows to learn standard and advanced techniques by practicing on various models. Mentored learning stations include:

- Hemostasis techniques including endoscopic clipping
- Enteral metal stent placement
- EUS and FNA techniques
- ERCP and Cholangioscopy
- Dilation techniques
