Research Building
Onstead Auditorium, 3rd Floor
6767 Bertner Avenue
Houston, TX 77030

Activity Director: Robert K. Zurawin, MD
Activity Manager: Theresa M. Hartley

NEEDS
Primary care physicians, gynecologists, and pediatric surgeons need additional education to better evaluate, diagnose, and manage common pediatric and adolescent gynecologic conditions. They need to be aware of the latest medical and surgical options available and to recognize when referral to a specialist is appropriate.

TARGET AUDIENCE
This activity is intended for obstetricians and gynecologists, including adolescent medicine specialists and pediatric surgeons.

OBJECTIVES
At the conclusion of the activity, the participant should be able to:
• Diagnose and manage gynecologic problems commonly seen in children and adolescents
• Evaluate adolescents for abnormalities of pubertal development, including precocious puberty, abnormal bleeding, primary and secondary amenorrhea
• Evaluate and manage congenital anatomic anomalies
• Evaluate and manage the adolescent with chronic pelvic pain and endometriosis
• Recognize when referral of a patient to a specialist is appropriate.

EDUCATIONAL METHODS
Lectures • Syllabus • Question and Answer Sessions • Roundtable Luncheon Workshops

EVALUATION
Evaluation by questionnaire will address program content, presentation, and possible bias.
**ACCREDITATION/CREDIT DESIGNATION**

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 12.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

In order to meet the requirements of the Accreditation Council for Continuing Medical Education it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Activity Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.

FEE, REGISTRATION AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Residents/Fellows can register online, however verification of status must be submitted within 24 hours of registration via fax to 713.798.7955.

Continental breakfast, lunch, and breaks are included in the registration fee.

To register/pay online visit the activity website at www.Baylor-CME.org/1380 and follow the instructions.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

Note: If payment is made by check, a social security number is required to process refund.

CONFERENCE LOCATION
