13th Innovations in Urologic Practice
September 22–24, 2005
Thursday afternoon, Friday morning, and Saturday morning
at the Hilton of Santa Fe Hotel
Santa Fe, New Mexico

Presented by
Baylor College of Medicine
Office of Continuing Medical Education
Houston, Texas

Permit No. 1137
U.S. Postage
Non-Profit Org.
The rapidly changing healthcare environment and pace of technologic innovations in medicine require urologists to keep abreast of state of the art diagnosis and management of urologic disease. This annual program focuses on current controversies and innovative diagnostic and treatment strategies for some of the most common urologic problems faced by clinical urologists.

Objectives
At the conclusion of the course, the participant should be able to:

- Discuss the pathophysiology of stress urinary incontinence and describe the application of slings and other biomaterials for surgical management of this problem.
- Describe the surgical options for management of Peyronies disease and urethral stricture repair.
- Describe the use of urinary biomarkers and intravesical therapy in the management of non-muscle invasive bladder cancer and counsel the patient with locally advanced disease on use of systemic chemotherapy in the peri-operative setting.
- Describe technical aspects of laparoscopy of the retroperitoneum and its application to ureteropelvic junction reconstruction, partial nephrectomy, and retroperitoneal nephrectomy in children.
- Describe the surgical management of male infertility.
- Identify the diagnostic and management strategies for common pediatric urology problems, including vesicoureteral reflux, varicocele, and urinary incontinence.

Educational Methods
Lectures ■ Syllabus ■ Case Presentations ■ Panel Discussions ■ Question and Answer Sessions ■ Video Presentations

Target Audience
Urologists, physician assistants, nurses

Evaluation
Evaluation by questionnaire will address program content, presentation, and possible bias.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 13.25 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.
## Program

### THURSDAY, SEPTEMBER 22, 2005

### Voiding Dysfunction
Moderator – Timothy B. Boone, MD, PhD  
12:55 Pathophysiology of Stress Incontinence  
Eric S. Rovner, MD  
1:20 Slings in 2005  
Rodney A. Appell, MD  
1:40 Materials for Slings  
Christopher P. Smith, MD  
2:05 Discussion/Questions and Answers  
2:15 Management of Stress  
Urinary Incontinence in the Neurogenic Bladder Patient  
Timothy B. Boone, MD, PhD  
2:35 Management of Mixed Incontinence  
Eric S. Rovner, MD  
3:00 Intravesical Injections in 2005  
Rodney A. Appell, MD

### Genitourinary Reconstruction
Moderator – Michael Coburn, MD  
3:20 Discussion/Questions and Answers  
3:30 Break/Exhibits

### Genitourinary Incontinence
Moderator – Michael Coburn, MD  
3:55 Peyronie’s Disease: Grafts, Tucks and Injections  
Hunter Wessels, MD  
4:20 A Practical Approach to Urethral Stricture Repair  
Michael Coburn, MD  
4:40 Urologic Care of Pelvic Fracture  
Hunter Wessels, MD  
5:05 Case Studies in Urethral and Genital Recontruction  
Michael Coburn, MD

### 7:30PM Adjourn

### Break/Exhibits

### Surgical Pearls
Moderator – Michael Coburn, MD  
7:30 Laparoscopic Techniques in the Obese Patient  
Lawrence J. Cisek, Jr, MD, PhD  
7:40 Skin Coverage for Genital Skin Loss  
Hunter Wessels, MD  
7:50 Obtaining Negative Margins in Surgery for Anterior Urethral Cancer  
Michael Coburn, MD

### Prostate Cancer
Moderator – Dov Kadmon, MD  
8:00 PSA Velocity and Doubling Time as Predictors of Prostate Cancer Progression  
Kevin M. Slawin, MD

### 8:20 AM Break/Exhibits

### 8:40 AM Watchful Waiting vs. Early Intervention
Dov Kadmon, MD

### 9:00 AM Surgical Management of Localized Disease – Comparison of Outcomes of Open, Robotic and Laparoscopic Radical Prostatectomy
Anthony Y. Smith, MD

### 9:20 AM High Risk Patients – Is Radical Prostatectomy Enough?
David I. Quinn, MD

### 9:40 AM PSA Recurrence After Radical Prostatectomy – An Individualized Approach to Therapy
Brian J. Miles, MD

### Noon Noon Registration and Exhibits

### 1:00 PM Discuss/Questions and Answers

### FRIDAY, SEPTEMBER 23, 2005

<table>

### Pediatric Urology
Moderator – David Roth, MD  
8:00 Minimally Invasive Approaches to UPJ Obstruction  
Lawrence J. Cisek, Jr, MD, PhD  
8:20 Laparoscopic Partial Nephrectomy – Controlling the Hilum and Repairing the Defect  
Richard Link, MD, PhD  
8:40 Percutaneous Ablation of Renal Masses  
James P. Willis, MD

### 9:00 AM Complications of Laparoscopic Surgery – "Trouble – Staying Out, Getting Out"
Lawrence J. Cisek, Jr, MD, PhD

### 9:20 AM Complications of the Obese Patient
Richard Link, MD, PhD

### 9:40 AM Retropereitoneal Nephrectomy in Children
Jason M. Wilson, MD

### 9:50 AM Discussion/Questions and Answers

### 10:15 AM Adjourn

---

Faculty, topics, program schedule, and credit are subject to change.  
Audio or videotaping is prohibited without written permission from the Activity Director and Baylor College of Medicine, Houston, Texas.

As of the printing of this brochure, this conference is supported by educational grants from:  
Fee, Registration and Confirmation Information
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online, visit the activity website at http://www.cme bcm.tmc.edu/1317.

Cancellation/Refund Policy
Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to (713) 798-7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

Conference Location and Accommodations
Hilton of Santa Fe Hotel
Phone: (505) 988-2811
100 Sandoval Street
Fax: (505) 986-6439
Santa Fe, New Mexico 87501

Accommodations should be arranged directly with the Hilton of Santa Fe Hotel. Please identify yourself with the Baylor Innovations in Urology Conference when making reservations in order to benefit from the special group rate ($189.00 single/$199.00 double). Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is Friday, August 19, 2005. A limited number of rooms have been reserved at the special conference rate – PLEASE BOOK EARLY.

If you wish to check out early, please advise the hotel upon check-in to avoid a $50.00 early checkout fee. Should an emergency arise for any guest attending the course, this fee will be waived.

Transportation
The Hilton of Santa Fe is located 70 minutes from the Albuquerque International Airport. There are commuter flights available from Albuquerque to Santa Fe. Shuttle service to the hotel is available through Sandia Shuttle Express (888-775-5696). Reservations are required to guarantee seating. Round trip is $43.00.
