The Baylor College of Medicine First Summit on the Comprehensive Care of Women

Saturday, October 18, 2008

Onstead Auditorium
Mitchell Basic Sciences Research Building at
The University of Texas M.D. Anderson Cancer Center
6767 Bertner, Houston, Texas 77030

Activity Directors: Ildiko Agoston, MD, FACC
Assistant Professor of Medicine
Section of Cardiology
Director, Women’s Center for Comprehensive Care

Elizabeth A. Nelson, MD
Associate Professor of Medicine
Associate Dean of Medical Education

Activity Coordinator: David Madrigal, MHA

Statement of Needs
According to the latest government report, the leading causes of death for women in the U.S. are heart disease, cancer and stroke. To address these and other critical women’s health issues, including reproductive and non-reproductive topics, research findings indicate the need for continuing medical education for physicians and other healthcare professionals.

This one-day educational conference will emphasize the importance of a multidisciplinary approach in the prevention, treatment, and management of diseases related to the health of the female patient, with a special focus on cardiovascular care. This total approach to women’s health will assist the practitioner in providing comprehensive, quality care. The primary goal of this conference is to improve women’s health in the U.S. by delivering evidence-based medical information to primary care physicians, family physicians, internists, gynecologists, obstetricians, and cardiologists.

Educational Methods
Lectures • Panel Discussions • Syllabus

Target Audience
Primary care physicians, family physicians, internists, gynecologists, obstetricians, and cardiologists.

Evaluation
Questionnaires will be used to evaluate program content, presentation, and possible bias.

Objectives
At the conclusion of this activity, the participant should be able to:
• Summarize the gender and racial differences in the manifestation of heart disease
• Describe the current recommendations for cardiovascular risk stratification for women
• Implement the changes in hormone replacement therapy dictated by recent clinical trials
• Identify the role of early prevention of breast cancer, including genetic counseling and genetic testing
• Use recent clinical research data to develop personalized management plans for patients with osteoporosis
• Indicate the conditions when a patient should be referred to a specialist

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The presentation, Beyond Disclosure: Professional and Legal Responsibilities in Addressing Domestic Violence, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.

Planning Committee

Douglas L. Mann, MD, FACC, FACP
Professor of Medicine and Molecular Physiology
and Biophysics
Chief, Section of Cardiology, Baylor College
of Medicine and Texas Heart Institute/
St. Luke’s Episcopal Hospital
Director, Winters Center for Heart Failure
Research

Ildiko Agoston, MD, FACC
Joslyn Fisher, MD, MPH
Elizabeth A. Nelson, MD

Faculty

KEYNOTE SPEAKER
Donna K. Sollenberger
Chief Executive Officer,
Baylor Clinic and Hospital
Executive Vice President,
Baylor College of Medicine

SPECIAL GUEST SPEAKER
Elyse Foster, MD, FACC
Professor of Medicine
Director, Adult Echocardiography Laboratory
Director, Adult Congenital Heart Disease Service
University of California, San Francisco

Baylor College of Medicine Faculty

Ildiko Agoston, MD, FACC
Assistant Professor of Medicine
Section of Cardiology
Director, Women’s Center for Comprehensive Care

Nishath Athar Ali, MD
Instructor, Department of Obstetrics and Gynecology

Jennifer E. Dietrich, MD
Assistant Professor and Director of Pediatric and Adolescent Gynecology
Department of Obstetrics and Gynecology

Joslyn W. Fisher, MD, MPH
Assistant Professor of Medicine and Ethics

Lior Heller, MD
Assistant Professor of Surgery
Division of Plastic Surgery

Elizabeth A. Nelson, MD
Associate Professor of Medicine
Associate Dean of Medical Education

C. Kent Osborne, MD
Professor of Medicine and Cellular and Structural Biology
Director, Lester and Sue Smith Breast Center
Director, Dan L. Duncan Cancer Center

Emily Sedgwick, MD
Assistant Professor of Radiology
Director of Breast Imaging,
Lester and Sue Smith Breast Center

Morali D. Sharma, MD
Associate Professor of Medicine
Division of Diabetes, Endocrinology & Metabolism
Director, Pituitary Clinic

Vadim Sherman, MD, FRCSC
Assistant Professor of Surgery
Director, Comprehensive Bariatric Surgery Center

Fee, Registration and Confirmation Information

Please refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 3 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately at 713.798.8327.

If you plan to register on-site, please contact the OCME at least 24 hours in advance to confirm availability and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online, visit the activity website at www.BaylorCME.org/1394 and follow the instructions.

The deadline for online registration is October 10, 2008.

Cancellation/Refund Policy

Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number provided on the registration form, followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

Conference Location

Onstead Auditorium
Mitchell Basic Sciences Research Building at The University of Texas M.D. Anderson Cancer Center
6767 Bertner
Houston, Texas 77030

Onstead Auditorium is on the 2nd floor of The George and Cynthia Mitchell Basic Sciences Research Building (BSRB). A part of The University of Texas M.D. Anderson Cancer Center campus, the BSRB is located at 6767 Bertner.
