Amount:
Fee, Registration and Confirmation Information

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Payment must be in U.S. funds, payable to Baylor College of Medicine.

Breaks, reception on Friday, continental breakfasts on Saturday and Sunday, lunch on Saturday, and a syllabus are included in the registration fee.

Cancellation/Refund Policy

Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

Conference Location and Accommodations

The Houstonian Hotel
111 North Post Oak Lane
Houston, TX 77024
Phone: 713.680.2626 or 800.231.2759  Fax: 713.688.6305
www.houstonian.com

Accommodations should be arranged directly with The Houstonian Hotel. Please identify yourself with the Baylor Cullen Course when making reservations in order to benefit from the special group rate ($179 single/double, room rates subject to state and local taxes). Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is Monday, January 31, 2005, unless the room block has already been filled. Reserve your room early.

The Houstonian, nestled on 18 wooded acres in the heart of the Galleria area, is a member of Preferred Hotels & Resorts Worldwide. This AAA Four Diamond and Mobile Four Star award winner is located six miles from downtown and two miles from the Galleria shopping center. Complimentary scheduled town car service is available to the Galleria for hotel guests.

The hotel is approximately 25 miles from Houston Hobby Airport and 35 miles from George Bush Intercontinental Airport. The Houstonian is located one block west of West Loop 610 on Post Oak Lane between Woodway and Memorial Drive.

About the Cullen Eye Institute

The mission of The Cullen Eye Institute and the Baylor College of Medicine Department of Ophthalmology is to be the preeminent institute in the country in education, research, clinical care and public service. To achieve this mission, we:

• provide educational programs for ophthalmology residents and fellows, medical and graduate students, research scientists, and practicing ophthalmologists

• support research in the structure, function, and diseases of the eye and the visual system

• provide the highest quality eye care available

• sponsor public programs for prevention of eye disease and injury

20th Annual Cullen Course

Clinical Advances in Ophthalmology for Practicing Ophthalmologists

Friday, February 25, through Sunday, February 27, 2005

The Houstonian Hotel
111 North Post Oak Lane
Houston, Texas

Topics Include

- Cataract & Refractive Surgery
- Corneal & External Disease
- Glaucoma
- Neuro-Ophthalmology
- Orbit & Oculoplastics
- Pediatric Ophthalmology & Strabismus
- Retina
- Medical Ethics

David Paton Medal Lecturer
Stephen S. Lane, M.D.

Presented by
Department of Ophthalmology
Baylor College of Medicine

Sponsored by
Baylor College of Medicine
Office of Continuing Medical Education
Houston, Texas
Program Directors

Douglas D. Koch, M.D., and Kirk R. Wilhelmus, M.D., Ph.D.

Conference Coordinators

Beverly A. Osterloh and Linda A. Raymond

Conference Overview

Progress in basic sciences, therapeutics, and surgery is leading to improved understanding and management of eye disorders. This course presents an updated overview of clinical ophthalmology by the full-time clinical faculty of the Department of Ophthalmology, emphasizing “state-of-the-art” management and recent “ahead-of-the-art” developments.

Using lectures, digital images, computer graphics, panel discussions, and the syllabus, course participants will learn current approaches to the therapy and prevention of ocular disorders. By explaining the origin and mechanism of common eye disorders, the objectives of this course are to show participants how to utilize new diagnostic and interventional methods. New topics are presented annually based on previous participants’ recommendations.

Objectives

At the conclusion of the activity, the participant should be able to:

• Explain the pathogenesis of prevalent and serious eye disorders
• Demonstrate how to utilize new diagnostic techniques
• Develop an effective management strategy for specific ocular diseases
• Evaluate new surgical techniques in ophthalmology

Educational Methods

Lectures; Syllabus; Panel Discussions

Target Audience

Ophthalmologists and ophthalmologists-in-training

Evaluation

Evaluation by questionnaire will assess program content, presentation, and possible bias.

Accreditation/Credit Designation

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 12.0 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

The presentation, Medical Ethics, has been designated by Baylor College of Medicine for 1.0 hour of education in medical ethics and/or professional responsibility.
Friday, February 25, 2005

1:00 pm  Registration, Exhibits Open

2:00  Welcome and Announcements  Douglas D. Koch, M.D.

2:05  Medical Ethics  Eric R. Holz, M.D.

2:45  Panel Discussion

3:05  Health Break / Exhibits Open

Session: Glaucoma and Neuro-Ophthalmology  
Moderator: Peter T. Chang, M.D.

3:30  Evaluating the optic nerve in the glaucoma patient  Ronald L. Gross, M.D.

3:42  Neuro-ophthalmic visual fields  Rod Foroozan, M.D.

3:54  Managing intraocular pressure before and after cataract surgery  Sylvia Orengo-Nania, M.D.

4:06  Mechanisms of visual loss in glaucoma and the future role of neuroprotection  Ronald L. Gross, M.D.

4:18  New insights in ischemic optic neuropathy  Rod Foroozan, M.D.

4:30  Laser treatment of trabecular meshwork  Sylvia Orengo-Nania, M.D.

4:42  Update in glaucoma shunts  Peter T. Chang, M.D.

4:54  Panel Discussion

5:30 pm  Welcome Reception

Saturday, February 26, 2005

7:15 am  Registration, Continental Breakfast, Exhibits Open

Session: Retina  
Moderator: Matthew S. Benz, M.D.

8:00  An algorithm for managing diabetic macular edema  Eric R. Holz, M.D.

8:12  Pharmacotherapy for macular degeneration  Matthew S. Benz, M.D.

8:24  Ophthalmic drugs and pregnancy  Elizabeth F. Baze, M.D.

8:36  Adverse effects of systemic drugs on the eye  Richard Alan Lewis, M.D., M.S.

8:48  Evaluation and management of flashes and floaters  Eric R. Holz, M.D.

9:00  Complications of intravitreal injections  Matthew S. Benz, M.D.

9:12  How to critique scientific articles in ophthalmology journals  Richard Alan Lewis, M.D., M.S.

9:24  Panel Discussion

9:40 am  Health Break / Exhibits Open
### Session: Cataract and Refractive Surgery
**Moderator:** Douglas D. Koch, M.D.

It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credits are subject to change.

Audio or videotaping is prohibited without written permission from the Program Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.
