**Needs Statement**
Due to the tremendous amount of recent change in the field of surgery, there is a need to provide physicians with a comprehensive update on recent and upcoming advances in surgical education and practice.

**Objectives**
At the conclusion of the activity, the participant should be able to:

- List areas of rapid change and emerging technologies in the field of surgical practice
- Identify recent advances in the field of cardiovascular surgery
- Discuss the role of the surgeon in treating disease on a molecular level
- Describe technical aspects of minimally invasive surgery and evaluate its potential benefits compared to more invasive approaches
- Identify the contributions of the Michael E. DeBakey Department of Surgery to the advancement of surgical sciences

**Educational Methods**
Lectures • Audiovisual Presentations • Syllabus

**Target Audience**
This educational activity is intended for surgeons in academic settings and private practice.

**Evaluation**
Evaluation by questionnaire will address program content, presentation, and possible bias.

**Accreditation / Credit Designation**
This activity has been planned and implemented in accordance with the Essentials Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Baylor College of Medicine and the Michael E. DeBakey International Surgical Society. Baylor College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 15.5 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

The American Medical Association has determined that physicians not licensed in the U.S. who participate in this CME activity are eligible for AMA PRA category 1 credit.

**Special Events**

**Opening Reception**
**Union Station at Minute Maid Park**
Saturday, May 15, 2004, 6:00 – 10:00 PM
This event is bound to be a homerun! Bring your family and come enjoy an American tradition. The venue overlooks Minute Maid Park and is just blocks from the Hilton Americas – Houston Hotel. Tickets will be available for purchase for those who would like to watch the game inside Minute Maid Park.

**Congress Banquet**
**La Colombe d’Or Hotel**
Sunday, May 16, 2004, 6:30 – 10:00 PM
Built in 1923, the mansion is distinguished as a Texas historical landmark and renowned as the "World's Smallest Luxury Hotel". La Colombe d’Or is the personification of old world character and charm.

Cocktails will be served in the Conservatory, followed by dinner in Le Grand Salon.

Transportation will be provided from the Hilton Americas – Houston Hotel, departing at 6:15 PM.

Special events, locations, and times are subject to change.

It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Program Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.
The 2nd Annual Current Trends in Cardiothoracic Surgery Conference will be held at the Hilton Americas - Houston Hotel Friday, May 14th through Saturday, May 15th, 2004, immediately preceding the Michael E. DeBakey International Surgical Society, XVth Congress. This conference will cover a broad range of topics in adult cardiac and aortic surgery, congenital heart surgery, transplant and assist devices, and general thoracic surgery and oncology. A special discounted registration fee is available when registering for both conferences (see Registration Form). For program information go to www.debakeydepartmentofsurgery.org, click on “Health Professionals” and “Continuing Medical Education” and the link for the conference. The Society wishes to thank the organizers of the Current Trends Conference for their assistance with the XVth Congress.

Conference Location/Accommodations
Hilton Americas – Houston Hotel
1600 Lamar
Houston, Texas 77010
Reservations: 800.236.2905
Phone: 713.739.8000
Fax: 713.739.8007

Accommodations should be arranged directly with the Hilton Americas - Houston Hotel prior to April 15, 2004; reservations made after that date are subject to availability. Please identify yourself with the Baylor College of Medicine Michael E. DeBakey International Surgical Society Congress when making reservations in order to benefit from the special group rate ($125.00 single/ $140.00 double).

Fee, Registration and Confirmation Information
Continental breakfasts, breaks, luncheons, social events, and a syllabus are included in the registration fee.

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Cancellation Policy
Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.
