11th Innovations in Urologic Practice
September 18-20, 2003
Thursday afternoon, Friday morning, and Saturday morning
at the Hilton of Santa Fe Hotel
Santa Fe, New Mexico

Baylor College of Medicine
Office of Continuing Medical Education
Houston, Texas
announces
Needs
The rapidly changing healthcare environment and pace of technologic innovations in medicine requires urologists to keep abreast of state-of-the-art diagnosis and management of urologic disease. This activity was developed to focus on current controversies and innovative diagnostic and treatment strategies for some of the most common urologic problems faced by clinical urologists.

Objectives
At the conclusion of the activity, the participant should be able to describe and discuss:

- Advances in surgery and management of prostate, bladder, testis, and kidney cancer
- Common pediatric urology problems
- Management of urethral strictures
- Novel applications of minimally invasive urologic surgical techniques
- Novel strategies for treatment of voiding dysfunction in females and BPH
- Imaging of the genitourinary tract

Educational Methods
Lectures ■ Syllabus ■ Case Presentations ■ Panel Discussions ■ Question and Answer Sessions ■ Video Presentations

Target Audience
Urologists, physician assistants, nurses

Evaluation
Evaluation by questionnaire will address program content, presentation, and possible bias.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 13 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty

Guest Faculty
David R. Staskin, MD
Associate Professor of Urology and OB/GYN
Weill-Cornell Medical School
Director, Voiding Dysfunction
New York Presbyterian Hospital
New York, New York

Anthony Y. Smith, MD
Professor
Division of Urology

University of New Mexico School of Medicine
Laurel Sillerud, PhD
Research Associate Professor
Department of Biochemistry and Molecular Biology

Texas Children’s Hospital
Lawrence J. Cisek, MD
Assistant Professor
Attending, Pediatric Urology

Edmund T. Gonzales, Jr, MD
Professor
Chief, Pediatric Urology Service
Head, Department of Surgery
Texas Children’s Hospital

Baylor College of Medicine
Timothy B. Boone, MD, PhD
Professor of Urology and Gynecology
Chief, Division of Voiding Dysfunction and Female Urology
F. Brantley Scott Chair and Director, Urodynamics Unit
St. Luke’s Episcopal Hospital

Jeffrey A. Jones, MD
Adjunct Associate Professor of Surgery and Urology
Commander, United States Navy Reserve
NASA/JSC Flight Medicine
Genitourinary Consultant
International Space Station
Crew Surgeon

Rodney A. Appell, MD
Professor of Urology
St. Luke’s Episcopal Hospital

Dov Kadmon, MD
Associate Professor
Medical Director, S.P.O.R.E.
Baylor College of Medicine

Larry I. Lipshultz, MD
Professor
Chief, Division of Male Reproductive Medicine and Surgery
Medical Director, Laboratory for Male Reproductive Research and Testing

Edmund T. Gonzales, Jr, MD
Professor
Chief, Pediatric Urology Service
Head, Department of Surgery
Texas Children’s Hospital

Steven Shen, MD, PhD
Assistant Professor of Pathology

Baylor College of Medicine/Scott Department of Urology
Russell and Mary Hugh Scott Professor and Chairman
Chief, Urology Service
Medical Director, Urodynamic Laboratory
The Methodist Hospital

Jeffrey A. Jones, MD
Adjunct Associate Professor of Surgery and Urology
Commander, United States Navy Reserve
NASA/JSC Flight Medicine
Genitourinary Consultant
International Space Station
Crew Surgeon

Eric A. Jones, MD
Assistant Professor
Attending, Pediatric Urology Service
Texas Children’s Hospital

Fredrick S. Leach, MD
Assistant Professor

Baylor College of Medicine
Jett R. Brady, MD
Assistant Professor of Radiology

Seth P. Lerner, MD
Associate Professor
Deputy Chief of Urology
The Methodist Hospital

Christopher P. Smith, MD
Assistant Professor

Edmund T. Gonzales, Jr, MD
Professor
Chief, Pediatric Urology Service
Head, Department of Surgery
Texas Children’s Hospital

Baylor College of Medicine

It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credits are subject to change.

Audio or videotaping is prohibited without written permission from the Program Director and the Office of Continuing Medical Education, Baylor College of Medicine.
**THURSDAY, SEPTEMBER 18, 2003**

- **Noon** Registration and Exhibits Open
- **1:00 pm** Welcome
- **1:05 pm** Voiding Dysfunction
  
  **Moderator:** Timothy B. Boone, MD, PhD
  
  - **1:25 pm** Update on Injectables and Radiofrequency Modeling For Stress Urinary Incontinence
    
    **Rodney A. Appell, MD**
  
- **1:45 pm** Question and Answer Session
- **2:00 pm** Pharmacology for the Overactive Bladder
  
  **David R. Staskin, MD**

- **2:15 pm** Surgical Management for the Overactive Bladder
  
  **Christopher P. Smith, MD**

- **2:45 pm** Urethral Stent Applications in Urology
  
  **Timothy B. Boone, MD, PhD**

- **3:05 pm** Break: View Exhibits

**FRIDAY, SEPTEMBER 19, 2003**

- **7:30 AM** Registration and Continental Breakfast
- **8:45 AM** Prostate Cancer
  
  **Moderator:** Kevin M. Slawin, MD
  
  - **9:45 AM** Management of High grade PIN and ASAP
    
    **Anthony Y. Smith, MD**
  
- **10:45 AM** System Integration of Prostate Cancer Nomograms to Optimize the Management of Prostate Cancer Patients
  
  **Kevin M. Slawin, MD**

- **11:00 AM** New MRI Imaging Techniques for Prostate Cancer
  
  **Laurel Sillerud, PhD**

**SPECIAL SESSIONS**

- **Program Chair:** Seth P. Lerner, MD

**Oncology – Bladder, Testis, Kidney**

- **Moderator:** Seth P. Lerner, MD

- **11:40 AM** Radical Cystectomy and Pelvic Lymphadenectomy: How Much is Enough?
  
  **Seth P. Lerner, MD**

- **12:00 PM** Cases and Panel Discussion

- **12:15 PM** Management Strategies for Stage A Non-seminomatous Germ Cell Tumors
  
  **Jeffrey A. Jones, MD**

**General Urology and Radiology**

- **Moderator:** Michael Coburn, MD

- **3:20 PM** Urethral Reconstruction in the Real World
  
  **Michael Coburn, MD**

- **3:45 PM** CT, MR, and PET Evaluation of Renal Masses
  
  **Jett R. Brady, MD**

- **4:15 PM** Question and Answer Session

**Clinical Pearls**

- **Tips for Successful Urethrolysis**
  
  **Rodney A. Appell, MD**

- **Botox Injection Techniques**
  
  **Christopher P. Smith, MD**

- **Pediatric Veress Access for Diagnostic Laparoscopy**
  
  **Lawrence J. Cisek, MD**

- **Studer Pouch Made Even Easier**
  
  **Seth P. Lerner, MD**

- **Common Pitfalls in Imaging Interpretation for Urologic Trauma**
  
  **Lawrence J. Cisek, MD**

- **RP-45 Stapler to Control Dorsal Vein**
  
  **Dov Kadmon, MD**

- **5:00 PM** Adjourn

**Minimally Invasive Surgery**

- **Moderator:** Lawrence J. Cisek, MD

- **8:00 AM** DaVinci, Zeus and the Renaissance in Surgery
  
  **Lawrence J. Cisek, MD**

- **8:50 AM** Question and Answer Session

**BPH and Infertility**

- **Moderator:** Larry I. Lipshultz, MD

- **9:00 AM** Impact of MTOPS on Pharmacologic Therapy for BPH
  
  **Kevin M. Slawin, MD**

- **11:10 AM** Management of the Adolescent with a Varicocele
  
  **Lawrence J. Cisek, MD**

**Pediatric Urology**

- **Moderator:** Edmund T. Gonzales, Jr, MD

- **11:30 AM** Current Evaluation and Management of Prenatally Recognized Hydronephrosis
  
  **Edmund T. Gonzales, Jr, MD**

**Prostate Cancer**

- **Moderator:** Kevin M. Slawin, MD

- **8:45 AM** Question and Answer Session

**Cryotherapy for Prostate Cancer**

- **Brian J. Miles, MD**

- **9:15 AM** Prostate Cancer Chemoprevention: An Update
  
  **Dov Kadmon, MD**

**Chemotherapy and Osteoclast Inhibitors 101**

- **Jeffrey A. Jones, MD**

- **9:55 AM** Panel Discussion

- **10:15 AM** Break: View Exhibits

**Ultrasonography in the Diagnosis and Treatment of Male Infertility**

- **Larry I. Lipshultz, MD**

- **12:10 PM** Adjourn

As of the printing of this brochure, this activity is supported by unrestricted educational grants from: Chiron Corporation; Cook Urological; Mallinckrodt Inc./Liebel Flarsheim; Mentor; Novartis Pharmaceuticals Corporation; Olympus America Inc.; Pfizer
Fee, Registration and Confirmation Information
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Continental breakfasts, breaks, reception and course syllabus are included in the registration fee.

Cancellation/Refund Policy
Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713-798-7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

Conference Location and Accommodations
Hilton of Santa Fe Hotel
Phone: (505) 988-2811
100 Sandoval Street
Santa Fe, New Mexico 87501
Fax: (505) 986-6439

Accommodations should be arranged directly with the Hilton of Santa Fe Hotel prior to Thursday, August 28, 2003; reservations made after that date are subject to availability. Please identify yourself with the Baylor Innovations in Urology Conference when making reservations in order to benefit from the special group rate ($199.00 single/$219.00 double).

If you wish to check out early, please advise the hotel upon check-in to avoid a $50.00 early checkout fee. Should an emergency arise for any guest attending the course, this fee will be waived.

Transportation
The Hilton of Santa Fe is located 70 minutes from the Albuquerque International Airport. There are commuter flights available from Albuquerque to Santa Fe. Shuttle service to the hotel is available through Sandia Shuttle Express (888-775-5696). Reservations are required to guarantee seating. Round trip is $46.00; if tickets are purchased in advance with credit card payment, round trip is $43.00.
